Carlo Buccisano

Curriculum Vitae

cbuccisano.work@pm.me
carlobuccisano.github.io
github.com/carlobuccisano
Italian, English, French and (un poco de) Spanish

Work experience

2024–2025 **Research and Teaching Assistant (ATER)**, *Université Paris-Saclay (Orsay)*
Teaching 192 hours of undergraduate courses: analysis, linear algebra and geometry.

July 2015 **Computer Programmer**, *IBM*, UK
- Team work;
- Python development of an internal planner tool;
- Internship awarded by Banca d'Italia (prize for the study of Math and CS).

Computer skills

Intermediate `Java`, `git`, HTML, CSS, JavaScript

Advanced `C++`, `Python`, LaTeX, Linux

Education

2021–2025 **Ph.D. in Mathematics**, *Université Paris-Saclay (Orsay)*
Thesis: On derived D-modules and their several definitions; HAL, arXiv.
Soft skills:
- conference organization;
- public research talks and poster presentations;
- coded from scratch my webpage (using Hugo);
- representative of PhD students.

2016–2022 **Galileian Diploma**, *Scuola Galileiana di Studi Superiori, Padova (Italy)*
Graduated from Scuola Galileiana, an honours college in Padova (7% admission rate).
Relevant courses:
- Machine Learning;
- Concurrent programming (Java);
- Game theory.

2019–2021 **M.Sc. in Mathematics**, *Università degli Studi di Padova & Université Paris-Saclay*
Graduated from Algant double degree, first year in Padova then in Orsay.
- GPA: 30/30 and 18.7/20; *Très Bien* (maximum honours);
- Funded by a 10.000€ scholarship from FMJH.

2016–2019 **B.Sc. in Mathematics**, *Università degli Studi di Padova*
GPA: 29.965/30; *110/110 cum laude* (maximum honours).

Awards

2013–2015 **Medals in Italian Maths and Informatics Olympiads**
Two gold and one bronze medals in Italian Informatics Olympiads.
One silver medal in Italian Mathematical Olympiads.
Skills:
- Problem solving;
- Data structures and algorithms;

2013–2015 **Competitive programming**
Participated in online competitions such as Google Code Jam, HashCode, Codeforces, USACO.
